CUPE Ontario is concerned to learn you are considering eliminating two of your full time staff. We urge against the decision.

Staff are a tremendous resource to any organization. They can only do their best work when they are treated with respect and can rely on job security.

I want Vita and Maria to know that CUPE Ontario, and the 260,000 workers we represent are here to support them.

When job security and respect at work is attacked anywhere, it effects workers everywhere.
